If you buy photonics products, you need the Photonics Buyers' Guide.

"I think you folks provide an excellent source of information, the completeness of which astounds me. This is truly a most valuable source."
- a satisfied subscriber

Over 800 pages of vital photonics information!

- 4000 companies listed worldwide
- Complete corporate profiles and contact info
- 100% updated annually
- Indexed alphabetically, geographically and by products and services offered

	List Price	You Pay
US & Canada	\$60	\$15
All other countries	\$84	\$25

Considered the standard reference of the photonics industry since its first printing in 1954, the Photonics Buyers' Guide offers engineers, designers and buyers quick, easy access to information about companies and products in all segments of the industry worldwide.

To order your copy, visit: www.photonics.com/bgsale or call (800) 553-0051 and ask for Book Sales.
