Durable Quantum Cascade Lasers: Applications and Deployments

The episode begins with on-site interviews from EPIC's Technology Meeting for Photonics in XR, held in Helsinki, Finland. Guests include **Stefan Steiner**, CEO of LightTrans International; **Erhan Ercan**, head of global business development at Morphotonics; and **Bharath Rajagopalan**, director of strategic marketing at STMicroelectronics. EPIC's **Jérémy Picot-Clémente** leads these chats. In our feature interview, news editor Joel

Williams speaks with **Jason Sorger**, senior field service and applications engineer at DRS Daylight Solutions, about market opportunities for durable quantum cascade laser technology in sectors including optical communications, quantum, and infrared spectroscopy.
